New Business:

Old Business:

- Well update, well number 3 is clean, no iron build- up, drilled down extra 40 feet Travis will drop the pipe down an extra 400 feet, which will give a little more leeway on draw down. EPA questioned on well operational functions, they are now communicating with the engineer and looking at our plans
- Had our sanitary survey, EPA gave us thirty days to plug well number 3, as soon as It's cleaned it will put it back in service.
